# SURGEON GOWNS

XS - XXL

The fabric content is 50/50 polyester/cotton in hospital green and is comfortable to wear and stands up in the wash. It has a 4 snap closure at the back with shelf ties at the waist and a stand up collar. The sleeves have a 4" ribbed knitwear cuff and the length is below the knee.

Additional customization is available upon request.

# SURGEON CAPS

ONE SIZE FITS ALL

The fabric content is 50/50 polyester/cotton in hospital green and is comfortable to wear and stands up to washing. The caps are comfortable to wear and the back is open with 2 - 12" twill ties which allows for size adjustability.

SAMSON

# WRAPAROUNDS

WIDE RANGE OF SIZES FROM XS - XXL  
AVAILABLE IN WHITE, NAVY,  
AND MID BLUE

These wraparounds are made from 65/35 polyester and cotton, are washable and known for their durability. They are widely used in vet clinics, teaching universities and lab settings. They have a unique double breasted cross over front that can be switched from side to side if spoiled. They have elbow length sleeves, double hip pockets and a single breast pocket. There are customization options available as well as the ability to have names and logos embroidered on the garments.

# SURGICAL WRAPS

CUSTOM SIZES TO SUIT  
YOUR NEEDS

These can be ordered in either single or double ply material. The fabric content is 50/50 polyester/cotton in hospital green and stands up in the wash. The stock sizes range from 12" to 48". Custom sizing is available.

RYDER

## SPLIT DRAPES

Split drapes are customized to suit your surgical needs. Standard opening width is 3/4" and you pick the length in inches for the opening. Base sizes range from 12" - 48" and are made of 50/50 polyester/cotton in hospital green and stands up in washing. We are able to make these to suit your individual needs as they are custom produced for each order. We also can do round or oval openings if required.

## MAYO STAND COVERS

CUSTOM SIZES TO SUIT YOUR NEEDS

The base size is 18" x 25" and is made of 50/50 polyester/cotton in hospital green.

LOVEY & DOVEY

# SCRUB TOPS, PANTS AND MATERNITY TOPS

XS - XXL

The fabric content is 50/50 polyester/cotton in hospital green, is comfortable to wear and stands up in washing. The scrub tops are unisex style with a traditional “V” neck, single breast pocket and set in sleeves. Scrub pants have a twill draw string waist tie and a single hip pocket. The inseam is 31”. We will also look at customization. Maternity tops have adjustable ties at the back of an empire style mock wrap front.

## HUCK TOWELS

The base size is 21” x 25” and are made of a 100% mint green cotton waffle jacquard.

FRY

## COVERALLS

The 900JS Coverall is made from a durable 65/35 polyester/cotton service drill fabric. It is also available in a 65/35 polyester/cotton bounty set fabric which is a lighter weight material or 100% cotton fabric. Coveralls come with two pockets on the chest, sides and back. Sizes range from 32 - 54+ in short, regular or tall. Choose from short, long, or detachable sleeves. Colours: Spruce Green unless specified, also available in navy, red, orange and grey.

LACEY

## LAB COATS

The 302B Unisex Lab Coat is made from a durable 65/35 polyester-cotton service drill fabric. It is also available in a 65/35 poly/cotton bounty set fabric which is a lighter weight material, or 100% cotton fabric. Lab Coats come with one pocket on the chest and two at the waist. Sizes range from Small - 2XL and can be made with buttons or snaps. Colours: White unless specified, also available in navy, red, orange, spruce green and grey.
